

CATAMARAN PASSENGER FERRY

PERFECT FOR GROUP TRANSFERS AND
SIGHTSEEING ON THE HARBOUR HIGHWAY

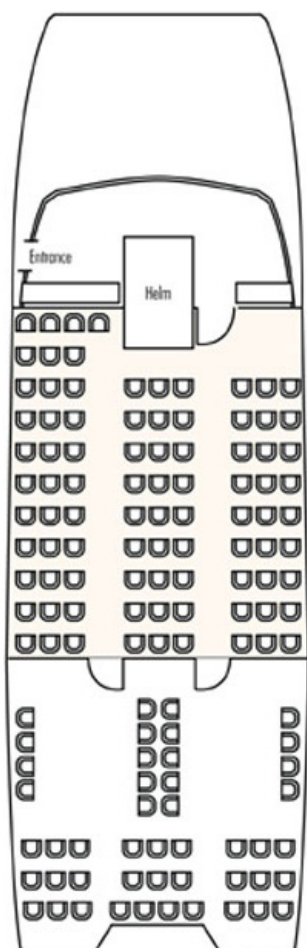

TWIN DECK ROCKET

Proudly Australian-built and named in honour of pioneering women who helped shape our nation, Mary Reibey, Annabelle Rankin, and Violet McKenzie deliver an unforgettable sightseeing experience.

Our 198-passenger, twin-deck Rocket ferries are the next generation of eco-friendly, fuel-efficient catamarans, designed with a sleek, modern edge.

With an open upper deck, three outdoor viewing areas, and spacious interior seating framed by large panoramic windows, these 24-metre vessels offer the most exciting way to explore Sydney Harbour.
