

SYDNEY HARBOUR COMMENTARY

Issued 6 November 2024 and subject to change

Take control of your sightseeing experience with digital commentary or printed maps

- Download our free guided commentary app, available directly on your smartphone
- Follow the printed Commentary Map and Highlights available onboard

Printed Map & Highlights

Smart Phone Commentary

LANGUAGES: English, French, Italian, German, Japanese, Korean, Chinese, Hindi

WHAT YOU WILL NEED

- A smartphone and headphones
- Enable your Location and GPS on your phone as the app needs to track your location to function.
- We highly recommend downloading the app, map, and audio prior to arriving for your cruise. However, a free Wi-Fi service is available at Circular Quay and King St departure points (limited speed).
- Internet access to download the POPGuide App (60MB) and Map & Audio (120MB).

DOWNLOAD THE POPGUIDE APP

Scan the QR Code (no username or password needed)

Or download directly from the App Store - search the iOS or Android Store for POPGuide

WI-FI ACCESS

- Wi-Fi on the wharf "POPGUIDE Wharf"
Password: "Explorer"
- Wi-Fi onboard "POPGUIDE_Boat"
Password "Explorer"

OPEN AND ACTIVATE APP BY ENTERING

For Hop On Hop Off

- Username SNW-000106
- Password 19826

For Harbour Experience

- Username SNS-000106
- Password 61309

MAP & AUDIO

1. Open the PopGuide app and tap the Cruise image.
2. Choose your language first
3. Then choose to download either the full or light version. (We recommend the full version for best experience).

YOU'RE GOOD TO GO!

Note: The light version downloads the map only. Audio will only download when clicking on a map location or on arrival at a designated GPS point.
