

SeaLink Marine & Tourism is committed to creating a positive impact on the communities and the environment in which we operate.

SeaLink Marine & Tourism supports the global sustainability agenda by conducting business practices in ways that directly contribute to the achievement of the following Sustainability Development Goals:

-  3 GOOD HEALTH AND WELL-BEING
-  5 GENDER EQUALITY
-  8 DECENT WORK AND ECONOMIC GROWTH
-  9 INDUSTRY INNOVATION AND INFRASTRUCTURE
-  10 REDUCED INEQUALITIES
-  11 SUSTAINABLE CITIES AND COMMUNITIES
-  12 RESPONSIBLE CONSUMPTION AND PRODUCTION
-  13 CLIMATE ACTION
-  15 LIFE ON LAND

We are delivering on our commitment by focusing on the most significant areas where we can have the biggest impact.

Diversity
We aim to provide meaningful employment opportunities and actively promote a culture that embraces diversity and creates an inclusive environment where employees feel they are valued. Our Diversity and Inclusion Strategy and programs outline our plans to establish a foundation for diversity and inclusion in our workplace by delivering education and training to our workforce.

5 

Environment
Guided by our environmental policy, we strive to provide high quality service to our customers while staying committed to the preservation of our environment through the efficient use of resources. We are supporting Australia's state governments decarbonisation targets by operating a range of propulsion systems including electric-diesel hybrid vehicles as well as battery electric buses.

9  13 

Community
We acknowledge the importance of our customers, suppliers, and the local communities in which we operate and as such engage and support our stakeholders through bespoke local content plans, direct and indirect job creation, charitable donations, sponsorships, and in-kind services.

8  11 

Safety
As a transport and tourism operator, we have an extensive range of controls to protect our employees and customers and we consistently monitor our key safety indicators and performance on a regular basis. We have also deployed a range of technological solutions such as collision avoidance systems and vehicle telematics to assist our teams in delivering first class safety.

3  9 

Reconciliation
As an Australian-owned organisation, we acknowledge the Traditional Owners of the Land. Our Reconciliation Action Plan outlines our commitment and provides a framework to guide practical actions to create an organisation that embraces and incorporates recognition, acknowledgement and understanding of Aboriginal and Torres Strait Islander peoples and cultures. In 2021, we renewed our commitment to reconciliation with our new national Reflect RAP, acknowledging our past achievements and aligning to the new vision, capability, size and scale of the organisation.
