Tour itinerary

WHAT YOU WILL SEE

Your guide is a K'gari expert with local knowledge and a passion for the island. On this adventurous day out, you'll drive across sand tracks to explore some of the most beautiful, natural spots and listen to fascinating facts about the island's history, flora and fauna. Our custom-designed 4WD coaches are airconditioned for your comfort and fitted with panoramic windows.

Lake McKenzie (Boorangoora)

K'gari's most iconic, picture-perfect swimming spot! Immerse yourself in the crystal-clear blue fresh water and relax on the sandy white beaches.

Central Station

A former logging station that housed schools and shops for the bustling timber industry is now a tourist stop. Stroll along the Wanggoolba Creek boardwalk to discover the ancient King Ferns, towering Flooded Gums and Pine trees.

Pile Valley

Wander through the subtropical rainforest and marvel at the centuries-old Satinay trees and towering palms.

75 Mile Beach

As you travel along this golden beach highway, you may spot dingoes, birds of prey flying above, or humpback whales, migrating down the coast (between July – October).

Eli Creek

Float gently down this tranquil, tree-lined creek with four million litres of fresh water flowing into the Pacific Ocean every hour.

Maheno Shipwreck

Marvel at the rustic wreck of the Maheno, which washed ashore during an out-of-season cyclone in 1935. It's one of K'gari's most recognisable sites.

The Pinnacles Coloured Sands

Learn about these radiant, cliff-like sand formations and the Indigenous Dreamtime stories that surround them. Get up close and experience the spectacular 72 shades of rare red, orange and yellow sands.

At the end of the day, you'll return to Hervey Bay by approximately 6:00pm (courtesy drop-offs to select locations).
