Feel the pull of Magnetic Island

A tropical paradise of secluded beaches and wildlife, rugged trails and spectacular views, Magnetic Island is the perfect getaway.

Escape and unwind on secluded palm-fringed beaches, explore the rugged walking trails and spectacular lookouts, or enjoy a family weekend of adventure and water sports – put it all together, and you've found Magnetic Island!

Magnetic Island, or *Yunbenun* as it's known to the local *Wulgurukaba* people, is an easy place to love, but a hard place to leave. Boasting 23 tranquil bays and beaches means you're never far from the shore, and being two-thirds national park, Magnetic Island hosts Northern Australia's largest colony of wild koalas.

Just 20 minutes from Townsville on the SeaLink ferry, we are your quickest connection to Magnetic Island. When in North Queensland the pull of Magnetic Island is simply impossible to resist. Let SeaLink help you explore why.
